Strangford Heritage Trail

Strangford’s history of trade, commerce and smuggling is written in the buildings along this heritage trail - which takes roughly an hour to complete.

The section through the trees from Squeeze Gut to Dufferin Avenue is not wheelchair accessible. As there is no footpath to Ballyculter we recommend driving or cycling this section (1km approx).

1. The Cuan
2. James Elliott and Co. Ltd.
3. St. Mary’s Star of the Sea Church
4. The Watch House
5. Ferry Terminal
6. The Quay
7. Strangford Castle
8. The Squeeze Gut
9. Dufferin Avenue
10. Christ Church, Ballyculter Upper

This trail has been developed by the Strangford Lough and Lecale Partnership, working with local people and supported by the NGO Challenge Fund administered by the NI Environment Link and the Heritage Lottery Fund.
